2019 Catalog & Price list

VORTEX RACING

We are a small family company that wants to bring the best experience possible through our products and customer service to racers of all levels.

Everything we do, is made with passion and emotion, that's why this company is our vision of what we feel a RC company should be.

Quality, respect for the environment and customer service are our main goals.

We care for quality above quantity.

OUR PACKAGING

One of our main goals is to be a clean and eco-friendly company. We want to show this compromise with our planet using recyclable packaging in many ways.

Our thinking was to offer you a packaging that you can use for storage everything you need or want to extend its life time as much as possible.

**ECO-FRIENDLY
